Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way Blackhawk Region, Inc. as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS December 31, 2015 and 2014

The mission of United Way Blackhawk Region, Inc. is to improve lives by mobilizing the caring power of communities.

Community Impact Strategies

United Way Blackhawk Region is dedicated to advancing the common good by creating opportunities for a better life for all. United Way collaborates with community partners to identify community issues and develop strategies to create long-lasting change by addressing the underlying causes of these problems.

Advancing the common good is less about helping one person at a time and more about changing systems to help all of us. We are all connected and interdependent. We all win when a child succeeds in school, when families are financially stable, when people are healthy. Everyone deserves opportunities to have a good life: a quality education that leads to a stable job, enough income to support a family through retirement, and good health.

United Way's impact areas are Education, Income and Health – the building blocks for a good life:

Education – Helping children and youth achieve their potential Income – Promoting financial stability and independence Health – Improving people's health

United Way Community Services Building provides space at a reduced rate for four local non-profit groups and a meeting room that can seat approximately 40 people.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

United Way Blackhawk Region is required to report information regarding its financial position and activities according to three classes of net assets:

Unrestricted net assets—Net assets that are not restricted by donors. Designations are voluntary board-approved segregations of unrestricted net assets for specific purposes, projects, or investments. A level of unrestricted net assets is maintained to provide ongoing funding to meet future allocation and operating commitments and for extraordinary purposes as may be authorized by the Board of Directors. Its purpose is to provide financial resources in the event of a natural disaster which threatens the welfare of a substantial portion of the community, an economic emergency which causes great hardship to the existence of critical human care services within the community, or other circumstances considered by the Board of Directors to be an extreme threat to the well-being of the community.

Temporarily restricted net assets—Net assets whose use has been limited by donor-imposed time restrictions or purpose restrictions. Temporarily restricted net assets are comprised of contributions raised from the annual campaign and special grants. Annual campaign funds are restricted for allocation to agencies and operating expenses while the special grant funds are restricted for the donor's stipulated purpose.

Permanently restricted net assets—Net assets that have been restricted by donors to be maintained by United Way Blackhawk Region in perpetuity.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Donated Services

Donated services are valued at the services' fair value at the date of service if the services would have been purchased if they had not been donated. Donated services not included in the financial statements because they do not meet the financial statement recognition criteria includes significant amounts of time donated by a substantial number of volunteers for the United Way Blackhawk Region's program services and fund raising campaigns.

Promises to Give

United Way Blackhawk Region's promises to give consist of amounts due from businesses, foundations, and individuals. The provision for uncollectible promises is computed based on historical collectability of promises and current economic conditions in the community and approved by the board of directors and adjusted by management estimates. The uncollectible provision is based on the gross campaign. Promises to give are written off when deemed uncollectible. Recoveries of promises to give previously written off are recorded when received. Donor designated promises are assessed both a fundraising and processing fee based on a three year historical average in accordance with United Way Worldwide membership standards as outlined in their publication titled United Way Worldwide Implementation Requirements of Membership Standard M (Cost Deduction for Designated Funds).

Property and Equipment

Property and equipment are carried at cost less accumulated depreciation. Depreciation is computed using the straight-line method. The building is depreciated over its estimated useful life of forty years. Equipment is depreciated over their estimated useful lives of five to ten years. Major improvements and renewals over \$2,000 are capitalized while ordinary maintenance and repairs have been expensed.

Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. Actual results could differ from those estimates.

Expense Allocations

Functional expenses, which are not directly attributable to one function, are allocated between community program services and supporting activities based on the number of employees involved, the amount of time spent and the percentage of their salary associated with that time. Management overhead percentage is computed based on dividing management and general and fundraising expenses divided by total revenue on the IRS Form 990, which does not include gifts in kind or unrealized gains/losses. For 2015 and 2014, the management overhead percentage of revenue is computed to be 18% and 14%.

NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions

Contributions received, including unconditional promises to give, are recorded as revenue in the period the promise is received at their fair values. Conditional promises to give, whether received or made, are recognized when they become unconditional, that is, when the conditions are substantially met.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted for future periods or are restricted by the donor for specific purposes are reported as temporarily restricted support. When a donor restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, restricted net assets are reclassified to unrestricted net assets and are reported in the statement of activities as net assets released from restrictions.

Beneficial Interest in Assets Held by CFSW

United Way Blackhawk Region has transferred assets to the Community Foundation of Southern Wisconsin, Inc. (CFSW) and has specified that the assets and related earnings be used to benefit various programs of United Way Blackhawk Region. Because United Way Blackhawk Region and CFSW are not interrelated and United Way Blackhawk Region is the ultimate beneficiary of the transferred assets and related earnings the transfers are considered to be reciprocal and not contributions to CFSW. Accordingly, related earnings are presented with investment return in the accompanying statement of activities.

Beneficial Interest in Perpetual Trust

The beneficial interest in perpetual trust is a resource held and administered, at the direction of the donor, by an outside trustee for the benefit of United Way Blackhawk Region whereby 25% of the income of the trust is distributed to United Way Blackhawk Region annually. The beneficial interest in perpetual trust is carried at the value of the investments in the trust. Distributions from the trust are to be used for general support for United Way Blackhawk Region and recorded as unrestricted support in the statement of activities. Adjustments to the value of the investments in the trust are recorded as permanently restricted investment return in the statement of activities. Under the terms of the perpetual trust, United Way Blackhawk Region has the irrevocable right to receive 25% of the income earned on the trust assets in perpetuity, but never receives the assets held in trust. 25% of each investment's value held in the trust are reported as assets in the statement of financial position.

Income Tax Status

United Way Blackhawk Region is a nonprofit public charity exempt under Internal Revenue Code Section 501(c)(3) and is therefore not subject to federal and state income or franchise taxes.

Lease income for the United Way Blackhawk Region was \$11,926 and \$18,273 for 2015 and 2014.

NOTE 8 - CONCENTRATIONS OF CREDIT RISK

United Way Blackhawk Region maintains cash balances and certificates of deposit at three financial institutions. The Federal Deposit Insurance Corporation insures accounts at each institution up to \$250,000. United Way Blackhawk Region had uninsured balances of approximately \$1,050,000 and \$1,045,000 at December 31, 2015 and 2014. Management does not believe this exposes the organization to any unusual credit risks.

NOTES TO FINANCIAL STATEMENTS December 31, 2015 and 2014

NOTE 9 - FAIR VALUE MEASUREMENTS

Fair values of assets measured on a recurring basis at December 31, 2015 and 2014:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds Money market funds	\$ 1,275,462 40,906	\$ 1,275,462 40,906	\$ -	\$ - -

Total - 2014	\$ 1,403,106	\$ 1,316,368	\$ -	\$ 86,738

Fair values for mutual funds and money market funds are determined by reference to quoted market prices and other relevant information generated by market transactions. United Way Blackhawk Region's beneficial interest in assets held by CFSW represents an agreement between United Way Blackhawk Region and CFSW in which United Way Blackhawk Region transfers assets to CFSW in exchange for future distributions. The beneficial interest is not actively traded and significant other observable inputs are not available. Thus, the fair value of the beneficial interest is measured at the proportional share of the underlying assets as reported to United Way Blackhawk Region by CFSW. Little information about those assets is released publicly. The estimated value does not necessarily represent the amounts that may be ultimately realized due to the occurrence of future circumstances that cannot be reasonably determined.

NOTES TO FINANCIAL STATEMENTS December 31, 2015 and 2014

NOTE 9 - FAIR VALUE MEASUREMENTS (continued)

The following table presents additional information about funds measured at fair value on a recurring basis using significant unobservable inputs:

	Beneficial Interest in Assets Held by CFSW			
		2015		2014

included in change in net assets		(2,025)		3,666
Ending balance	\$	84,713	\$	86,738

The change in value of beneficial interest included in change in net assets is reported as agency endowment return and is included with investment return on the statement of activities.

Unrestricted net assets	\$ 2,794,339	_	\$ 2,745,374

NOTE 11 - TEMPORARILY RESTRICTED NET ASSETS

A fundraising campaign is conducted in the fall of each year to provide funds for allocations to the member agencies and operations of United Way Blackhawk Region for the following calendar year. Therefore, the cash contributions and pledges of contributions received to December 31, as a result of the campaign in the fall, are temporarily restricted to cover the operations for the following year. Annually, assets are released from donor restrictions by allocations to participating agencies satisfying the restricted purposes specified by donors. If the restriction is accomplished in the same year as the gift is received, it is reported as unrestricted support. The temporarily restricted net assets related to the campaign totaled \$1,580,936 and \$1,740,565 at December 31, 2015 and 2014. In addition, the earnings on the permanently restricted endowment totaling \$146,739 and \$156,482 are also temporarily restricted at December 31, 2015 and 2014.

NOTES TO FINANCIAL STATEMENTS December 31, 2015 and 2014

NOTE 12 - PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets consisted of the following at December 31, 2015 and 2014:

		2014		
Beneficial interest in perpetual trust Permanently restricted endowment	\$	549,683 288,487	\$	559,166 288,487
Permanently restricted net assets	\$	838,170	\$	847,653

NOTE 13 - ENDOWMENTS

United Way Blackhawk Region's endowment consists of 2 funds and includes both donor-restricted endowment funds and funds designated by the board of directors to function as endowments. Net assets associated with endowment funds, including funds designated by the board of directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The state of Wisconsin enacted UPMIFA effective July 20, 2009, the provisions of which apply to endowment funds existing on or established after that date. The Organization had determined that its permanently restricted net assets meet the definition of endowment funds under UPMIFA. The Organization has interpreted Wisconsin's enacted version of UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. In accordance with Wisconsin's enacted version of UPMIFA, the Organization expects it will need to consider the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

Return Objectives and Risk Parameters

The Organization has adopted investment policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity or for a donor-specified period(s) as well as board-designated funds.

Spending Policy

The spending policy provides for the Board Designated Endowment the ability to withdraw funds from the principal with a super majority of 2/3 of the Board vote. To date, all earnings of the endowment have been reinvested and no distributions have been made from the endowment.
