Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way Blackhawk Region, Inc. as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Our opinion is not modified with respect to this matter.

### Report on Supplementary Information

NOTES TO FINANCIAL STATEMENTS December 31, 2019 and 2018

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Activities**

The mission of United Way Blackhawk Region, Inc. is to improve lives by mobilizing the caring power of communities.

#### Community Impact Strategies

United Way Blackhawk Region is dedicated to advancing the common good by creating opportunities for a better life for all. United Way collaborates with community partners to identify community issues and develop strategies to create long-lasting change by addressing the underlying causes of these problems.

Advancing the common good is less about helping one person at a time and more about changing systems to help all of us. We are all connected and interdependent. We all win when a child succeeds in school, when families are financially stable, when people are healthy. Everyone deserves opportunities to have a good life: a quality education that leads to a stable job, enough income to support a family through retirement, and good health.

United Way's impact areas are Education, Financial Stability and Health, the building blocks for a good life:

Education—Helping children and youth achieve their potential Financial Stability—Promoting financial stability and independence Health—Improving people's health

*United Way Community Services Building* provides space at a reduced rate for two local non-profit groups, two for profit groups and meeting room that can seat approximately 40 people.

#### **Donated Services**

Donated services are valued at the services' fair value at the date of service if the services would have been purchased if they had not been donated. Donated services not included in the financial statements because they do not meet the financial statement recognition criteria include significant amounts of time donated by a substantial number of volunteers for the United Way Blackhawk Region's program services and fundraising campaigns.

#### **Promises to Give**

United Way Blackhawk Region's unconditional promises to give consist of amounts due from businesses, foundations, and individuals. The provision for uncollectible promises is computed based on historical collectability of promises and current economic conditions in the community and approved by the board of directors and adjusted by management estimates. The uncollectible provision is based on the gross campaign. Promises to give are written off when deemed uncollectible. Recoveries of promises to give previously written off are recorded when received. Donor designated promises are assessed both a fundraising and processing fee based on a three year historical average in accordance with United Way Worldwide membership standards as outlined in their publication titled United Way Worldwide Implementation Requirements of Membership Standard M (Cost Deduction for Designated Funds).

NOTES TO FINANCIAL STATEMENTS
December 31, 2019 and 2018

### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Property and Equipment**

All acquisitions of property and equipment in excess of \$2,000 are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method. The building is depreciated over its estimated useful life of 40 years. Structural building improvements are depreciated over 20 years. Equipment is depreciated over their estimated useful lives of five to ten years.

#### **Expense Allocation**

The financial statements report certain categories of expenses that are attributable to more than one program service or supporting activity. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, benefits, payroll taxes, computer software support, office supplies, telephone, postage, occupancy, office equipment, marketing, travel, conferences/meetings/events, membership dues, insurance, and depreciation, which are allocated on the basis of estimates of time and effort.

Management overhead percentage is computed based on management and general and fundraising expenses divided by total revenue on the IRS Form 990, which does not include gifts in kind or unrealized gains/losses. For the years ended December 31, 2019 and 2018, the management overhead percentage of revenue is computed to be 17%.

The following program services and supporting activities are included in the accompanying financial statements.

#### Community Impact—

- Improving the lives of all people affected by the community's issues, not just clients of programs funded by United Way.
- Pinpointing the root causes of problems that threaten our community and developing strategies and partnerships to change them.
- Working in a multi-faceted role with whatever partners can play a role in changing community conditions.
- Going beyond the annual campaign to create long-term, ongoing relationships with diverse community investors.

Management and general—Includes the functions necessary to maintain an equitable employment program; ensure an adequate working environment; provide coordination and articulation of United Way Blackhawk Region's program strategy; secure proper administrative functioning of the board of directors; maintain competent legal services for the program administration of United Way Blackhawk Region; and manage the financial and budgetary responsibilities of United Way Blackhawk Region.

*Fundraising*—Provides the structure necessary to encourage and secure private financial support from individuals, foundations, and corporations.

NOTES TO FINANCIAL STATEMENTS December 31, 2019 and 2018

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Adoption of New Accounting Guidance**

On June 21, 2018, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) No. 2018-08, Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. The ASU provides a more robust framework for evaluating whether transactions such as grants and similar contracts with government agencies and others should be accounted for as exchange transactions or contributions. The ASU also assists entities in determining whether a contribution is conditional. United Way Blackhawk Region adopted the requirements of the ASU as of January 1, 2019. The changes in the ASU have been applied on a modified prospective basis, that is, the changes have been applied to agreements that are either not completed as of January 1, 2019, or entered into after that date.

#### **Contributions**

Contributions received are recorded as increases in net assets without donor restriction or net assets with donor restrictions depending on the existence of any donor-imposed restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

## Beneficial Interest in Assets Held by Community Foundation of Southern Wisconsin

United Way Blackhawk Region has transferred assets to the Community Foundation of Southern Wisconsin and has specified that the assets and related earnings be used to benefit various programs of United Way Blackhawk Region. Because United Way Blackhawk Region and the Foundation are not interrelated and United Way Blackhawk Region is the ultimate beneficiary of the transferred assets and related earnings the transfers are considered to be reciprocal and not contributions to the Foundation. Accordingly, related earnings are presented with investment return in the accompanying statements of activities.

#### **Beneficial Interest in Perpetual Trust**

The beneficial interest in perpetual trust is a resource held and administered, at the direction of the donor, by an outside trustee for the benefit of United Way Blackhawk Region whereby 25% of the income of the trust is distributed to United Way Blackhawk Region annually. The beneficial interest in perpetual trust is carried at the value of the investments in the trust. Distributions from the trust are to be used for general support for United Way Blackhawk Region and recorded as unrestricted support in the statements of activities. Adjustments to the value of the investments in the trust are recorded as investment return with donor restrictions in the statements of activities. Under the terms of the perpetual trust, United Way Blackhawk Region has the irrevocable right to receive 25% of the income earned on the trust assets in perpetuity, but never receives the assets held in trust. 25% of each investment's value held in the trust are reported as assets in the statements of financial position.

NOTES TO FINANCIAL STATEMENTS December 31, 2019 and 2018

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Estimates**

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

#### **Income Tax Status**

United Way Blackhawk Region is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

#### Date of Management's Review

Management has evaluated subsequent events through April 30, 2020, the date which the financial statements were available to be issued.

#### NOTE 2—CERTIFICATES OF DEPOSIT, UNEMPLOYMENT COMPENSATION BENEFITS

United Way Blackhawk Region has elected the reimbursement (self-insured) method to finance the cost of unemployment compensation benefits. Accordingly, United Way Blackhawk Region has placed in the custody of the Treasurer, Wisconsin Unemployment Compensation Division, two certificates of deposits in the amount of \$10,200 and \$10,206 at December 31, 2019 and 2018, respectively.

#### NOTE 10—NET ASSETS (continued)

A fundraising campaign is conducted in the fall of each year to provide funds for allocations to the member agencies and operations of United Way Blackhawk Region for the following calendar year. Therefore, the cash contributions and pledges of contributions received by December 31 as a result of the campaign in the fall are restricted to cover the operations for the following year. Annually, assets are released from donor restrictions by allocations to participating agencies satisfying the restricted purposes specified by donors.

#### NOTE 11—ENDOWMENT

United Way Blackhawk Region, Inc.'s endowment consists of two individual funds established for supporting operations. The endowment includes both donor-restricted endowment funds and funds designated by the board of directors to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the board of directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. United Way Blackhawk Region is subject to Wisconsin's Uniform Prudent Management of Institutional Funds Act (UPMIFA) and thus, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions because those net assets are time restricted until the board of directors appropriates such amounts for expenditure. The board of directors of United Way Blackhawk Region has interpreted UPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to an endowment fund, unless a donor stipulates the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, United Way Blackhawk Region considers a fund to be underwater when the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument.

United Way Blackhawk Region has interpreted UPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. Additionally, in accordance with UPMIFA, United Way Blackhawk Region considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the fund, (2) the purposes of United Way Blackhawk Region and the donor-restricted endowment fund, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of United Way Blackhawk Region, and (7) the investment policies of United Way Blackhawk Region

United Way Blackhawk Region has adopted investment and spending policies for endowment assets that attempt to provide additional income to fund programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that United Way Blackhawk Region must hold in perpetuity or for a donor-specified period(s) as well as board-designated funds. Under this policy, as approved by the board of directors, the endowment assets are invested in a manner that is intended to produce results above the benchmark while managing risk. United Way Blackhawk Region's investment objective is for the value of investment assets, exclusive of contributions and withdrawals, to grow through returns generated by capital appreciation and investment income.

NOTES TO FINANCIAL STATEMENTS December 31, 2019 and 2018

#### NOTE 11—ENDOWMENT (continued)

The rate of return earned by the portfolio's asset classes are targeted to be at or above weighted, commonly accepted performance benchmarks.

To satisfy its long-term rate-of-return objectives, United Way Blackhawk Region relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). United Way Blackhawk Region targets investments to achieve its long-term return objectives within prudent risk constraints.

The spending policy provides for United Way Blackhawk Region the ability to withdraw funds from the principal of the board designated endowment with a super majority vote of  $\frac{2}{3}$  of the board of directors. To date, all earnings of the endowment have been reinvested and no distributions have been made from the endowment.

Endowment net asset composition by type of fund as of December 31, 2019 and 2018, is as follows:
