Ensuring the Integrity of the Sweepstakes

Donors who qualify for the Sweepstakes are automatically entered into the drawing as their pledges are processed. Companies, which do not typically provide individual pledge information, may submit a list of those employees who have qualified. Those names are added to the database of automatic qualifiers. Additionally, those individuals who submitted an entry outside of the automatic qualification process are also entered into the database. Although UWBR cannot publish the list of all those who qualify, if a company campaign requests a list of qualifiers from their own company, UWBR can provide it prior to the drawing, but after all pledges received by February 15, 2023 have been posted. Please call 608-314-8420 for more information.
